Dear Parent/Guardian

Important Information about Prom

As you may already be aware, we have taken the difficult decision to change the date and venue of the Year 11 Prom. The new date is **Wednesday 21 June, 7-10:30pm**. We made students aware of the change last night via Google classroom as soon as we had confirmation of the change so that you had as much notice as possible.

I am absolutely delighted to have been able to secure **Badgemore Park** at no extra cost to students. Badgemore Park is a lovely venue and thanks to the impeccable behaviour of our previous Year 11s, who have also had their Prom there, they have been very helpful in accommodating us at such short notice and for such a good price.

The ticket price remains at £20 and includes a welcome drink on arrival, hot and cold buffet and access to download the photos taken by a professional photographer. Tickets that have already been purchased are valid for the new date and the deadline for purchasing tickets via Parentpay has been extended to allow time for arrangements to be confirmed at home. Please purchase tickets by **Friday 26 May**.

I do appreciate the inconvenience this change causes, however, ensuring that Year 11 get a Prom to be proud of has been my priority.

If you have any concerns or question and would like to discuss this further, please do get in touch with me to arrange a meeting.

Yours sincerely

Ms Ashley
Head of Year 11
