

Catch up Vaccinations – Maiden Erlegh Chiltern Edge on 9th June
Yr 8 - HPV
Yr. 9 & Yr10 - HPV, Td/IPV and Men ACWY, MMR

Dear Parent/Guardian

A team of nurses will be visiting your child's school on the above date to offer catch up vaccinations. Your child will be offered any outstanding vaccinations on this date **if they missed the main school session, and we hold a valid consent** which is in date (2 academic years for HPV, 1 academic year for all other vaccinations).

If you are unsure whether you have already submitted a Consent Form for these vaccinations, please check for the confirmation email from either noreply@cinnamondigitalapplications.co.uk or school.immunisations@nhs.net. If you are unsure whether your child is outstanding these vaccinations contact Child Health Information Department on 0300 561 1851/your GP.

If any medical information has changed, or your child has received these vaccinations outside of school since you submitted the original consent, please email immunisationteam@oxfordhealth.nhs.uk or telephone 07920254400.

Yours faithfully,

Susan Mahoney
Immunisation Team Lead
School Aged Immunisation Service

Helena Uddin
