## IMPORTANT Information Regarding BUSES

Boost tickets give cheaper travel for anyone aged 18 or under; also students at a number of colleges and universities, regardless of age.

Previously, as long as anyone satisfied those criteria Boost tickets could be bought without the need for ID.

However, from Wednesday 1 June 2023, we're introducing a verification process on our app to ensure only those entitled can use Boost tickets.

### now start the verification process

Upload a selfie or head and shoulders shot from your photo library. Treat this like a passport photo - no filters, shades, hair obscuring face etc, otherwise you may be rejected.

Upload a photo of your chosen ID - driving licence, passport, birth certificate, valid student/ university identification card or PASS accredited card such as Citizencard.

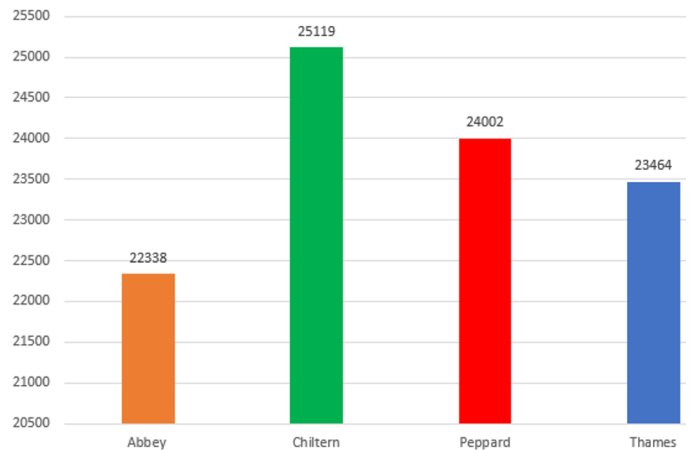

Submit and then wait! Verifications can take up to 48 hours but are usually done within at least 24 hours and often much quicker.

## Author of the Week

SHARNA JACKSON

Winner of the Best Book for Younger Readers in the Waterstones Children's Book Prize 2020

Sharna Jackson is not only a best-selling author but also an Artistic Director; she created the TATE kids website back in 2007 and believes that all children should engage with arts, culture, reading and writing.

'High Rise Mystery' and 'Mic Drop' are thrilling detective stories following twins Nik and Norva who are keen to solve the crimes on their estate. 'The Good Turn' introduces us to 'The Copseys' (Josie, Wesley and Margot) who are determined to discover what is living in the derelict building near their homes. Get involved and see if you can find the answers to these mysteries!

If you like Siobhan Dowd or Christopher Edge you'll love these books!

*The simple act of opening a book and reading the words on the page and letting it mean something may seem small, but it is, in fact, a huge achievement if you can make it happen.*

Sharna Jackson says:
