IMPORTANT Information Regarding BUSES

Boost tickets give cheaper travel for anyone aged 18 or under; also students at a number of colleges and universities, regardless of age.

Previously, as long as anyone satisfied those criteria Boost tickets could be bought without the need for ID.

However, from Wednesday 1 June 2023, we're introducing a verification process on our app to ensure only those entitled can use Boost tickets.

now start the verification process

3

Upload a selfie or head and shoulders shot from your photo library. Treat this like a passport photo - no filters, shades, hair obscuring face etc, otherwise you may be rejected.

4

Upload a photo of your chosen ID - driving licence, passport, birth certificate, valid student/ university identification card or PASS accredited card such as Citizencard.

5

Submit and then wait! Verifications can take up to 48 hours but are usually done within at least 24 hours and often much quicker.

Author of the Week

THOMAS TAYLOR

Winner of the 2021 Awesome Book Awards and Award winning illustrator

Did you know that Thomas Taylor created the very first front cover artwork for 'Harry Potter and the Philosopher's Stone'? Since then, he has gone on to write and illustrate several picture books and introduced us all to a new world called 'Eerie-on-Sea' which is where Herbie and Violet have had an incredible range of adventures. There are creatures like the malamander, evil villains, unlikely friendships, puppets, storms and, of course, lots of lost-and-foundering.

Thomas Taylor says:

If you like Jenny McLachlan or M.G.Leonard you'll love these books!

I love reading because a book is a golden ticket to anywhere, a personal introduction to anyone at all - from any time or realm - and the nearest thing to magic we have.
