I am very pleased that Mr Groves will remain as part of the Year 7 tutor team.

Regarding the wider Inclusion team, I am pleased to welcome Mrs Butler and Mrs Baderia as additional Teaching Assistants in September.

The Inclusion team have also been working hard behind the scenes to ensure our Inclusion space (the Hive) is reflective of our students' needs. As a result, in September, the Hive will be moving to a new, larger location at the back of the school. Some improvement works are taking place over the summer break, and I will be able to share pictures towards the end of August. At the same time, the Inclusion team will also send a "social story" about the change in space to be shown if necessary.

Yours sincerely

Nicola Benham
Assistant Head Teacher
