15 September 2023

Dear Parent/Guardian

This week's newsletter is a one week only, Miss Bliss special edition.

We continue to marvel at the resilience of staff and students in the face of the IT nightmare we still find ourselves in. There is a light at the end of the tunnel, but sadly it is a pretty long tunnel. The priorities for the very short term are now to ensure all classrooms have teacher desktop access, student access is restored and the bugs in the catering software are fully ironed out. I want to extend my thanks to students for their patience, particularly in subjects where they might traditionally have been computer-based learning. And a huge thank you to parents for your support in making packed lunches at the drop of a hat.

This week we have welcomed parents of Y8 -11 to our year group welcome events, and it was lovely to see so many of you here to discuss the year ahead and meet key staff. The presentations from each of the sessions are being uploaded to our website and the links will be shared on Monday.

We have also seen many of our clubs and activities resume this week after the summer break. They have been really well attended and we hope that the wide variety on offer means that all students can find something to get involved in over the next few weeks. We endeavour to ensure the timetable issued to students is comprehensive and up to date, but students should always listen out for updates in tutor time too!

Wishing you all a great weekend.

Yours sincerely

Emma Bliss
Deputy Headteacher
