

10 October 2023

Dear Parent/Guardian

'Making the Most of Unifrog' Virtual Information Evening - Tuesday 10 October 2023 – 6pm to 7pm

In keeping with our commitment to provide students with outstanding careers guidance and tailored support when choosing their next step after school, we will continue to use 'Unifrog' - an award-winning, online careers platform. All students in Years 7, 8, 9, 10, 11, 12 and 13 will gain access to this careers and destination platform. Students in Years 8 through to Year 13 already have access to Unifrog. Year 7 students will be introduced to Unifrog during Personal Development lessons during Year 7.

You are invited to attend the Unifrog Virtual Information Evening on Tuesday 10 October 2023 from 6pm to 7pm to learn more.

The Unifrog platform is designed to support learners in making the most informed decisions about their futures and has a range of tools that are suitable for all year groups. Each student has their own personal account that provides a wide range of information related to their interests and aspirations. Key features of the platform include:

Exploring Pathways – personality quizzes, career and subject profiles, MOOCs and webinars.

Recording – self-reflection about extracurricular activities and key employability skills.

Opportunities – search tools showing live vacancies/courses/placements for apprenticeships, universities (in the UK and abroad), FE, virtual work experience and much more.

Applications – tools to help students build applications for a range of pathways (e.g., CVs, Personal Statements, Common App Essays).

Students access the platform by following the details in the welcome email, where they create a password and can begin using the platform. Students can then login to Unifrog from any computer, tablet, or smartphone. We strongly encourage students to use utilise Unifrog during their own time to make the most of this fantastic resource. We encourage you to use the platform with your child so you can support them through the process of deciding their next step.

To join the Unifrog Launch Virtual Presentation, please register your interest via this online form: <https://forms.gle/jSMTUmHn4tsqpXdt9> and a Zoom link will be emailed to you 24 hours prior to the event.

With many thanks for your support.

Yours sincerely
