

Physical Education Newsletter - February 2019

Year 11 BTEC Sport

Well done to the 12 Year 11 BTEC students who on Monday individually delivered a sports session of their choice to 51 Year 5 students from Sonning Common Primary as part of their leadership assessment. It was a fantastic day of fun sporting activity for the primary school students, who gave excellent feedback on all the sessions that were delivered. A massive thank you to Sonning Common Primary for coming to MECE to make the day possible and working so hard throughout the day.

County Honours

A massive well done to Year 8 James who after a recent successful trial has been selected to represent Berkshire U14 Rugby Union. Good luck with the upcoming training and fixtures James!

Year 7 Football Tournament

The Year 7 football team travelled to Wallingford School on Thursday to take part in a 6 a side tournament. They played 5 games in total against Wheatley Park, Wallingford A and B, Icknield A and B. The boys started off against Wallingford A in which was a very tight game with the two sides equalling each other out. The game was eventually won by a fantastic left foot strike from Tyler. The team then went on to have a goalless draw against Wallingford B and a very entertaining draw with Icknield A, in which MECE game back from 2 goals down to eventually draw 2-2. The team finished strongly with a 1-0 with against Icknield B and a 3-0 win against Wheatley Park. Goal scorers were Tyler, Jerry, Fletcher, Josh, Dylan and William. Man of the tournament was goalkeeper Joseph for some fantastic saves at crucial moments in games. Well done to all involved for finishing the tournament joint 1st with Wallingford A!

Year 10 Netball

On Tuesday our Year 10 netball team competed in the South Oxfordshire School's tournament at Wallingford. The girls worked hard and produced some great netball but unfortunately it wasn't their day. Despite losing some closely fought matches the girls remained positive and determined throughout. Well done to our Goal Shooter Kate who was voted player of the tournament for her great shooting!

Year 7 Netball

On Wednesday our Year 7 Netball team played at home against Langtree. Both of our teams played brilliantly and displayed some really great netballing skills. Our red team narrowly lost 5-2, which was a great result considering they were a player down the whole match. Well done to Jess for being voted player of the match! Our blue team were up against a strong Langtree side but secured an 8-7 win, with Amy and Hettie impressing the opposition with how well they worked together as Goal Shooter and Goal Attack. Well done to Gemma for being voted player of the match for the blue team! There will be a netball match at home on **Wednesday 27 March**, the team-sheet will be up in the PE Department, please come and let us know if you are available to play.

Primary School Cross-Country

On Saturday **2 March** we are hosting the final primary school cross country event of the year, races starting from 9am and finishing around 12pm. If you are free and able to help out on the day it would be very much appreciated, please get in touch with Mr Hunter dhunter@maidenerleghchilternedge.co.uk

Upcoming Fixtures:

It will be a busy term of fixtures when we return from the holidays with both the football and netball leagues starting for all year groups. Please see below for what evening each year group will have their fixtures. If students can please make sure they tick the team sheets in the PE office/changing rooms to confirm they can play. Letters will be sent home via school communication to confirm your son/daughter has been selected, where the fixtures will be and what time the pick-up from MECE will be. As always we welcome parents to come watch and support the school fixtures.

Football

Year 7	Tuesday
Year 8	Thursday
Year 9	Wednesday
Year 10/11	Thursday

Netball

Year 7	Wednesday
Year 8	Wednesday
