Dear Parent/Guardian

**Brighter Futures for Children - Consultation on provision of school transport**

We have been made aware that Brighter Futures for Children have launched a consultation on their provision of school transport and would be hugely impactful to many in our school community.

We will be responding formally as a school but would strongly encourage you to also respond so that the weight of our collective voice is heard.

Details of the proposed changes can be found here:

[School Transport Policy Consultation - Brighter Futures For Children](#)

Brighter Futures are asking for views based on a series of questions - these can be found on the web link above. Questions 6, 7 & 8 are the most relevant for MECE parents. If you would like a Word copy emailed to you, please contact the office. Responses should be returned to [School.Transport@brighterfuturesforchildren.org](mailto:School.Transport@brighterfuturesforchildren.org) no later than **17 March 2024**

We understand there will be a forum for current MECE parents to attend to raise concerns and have questions answered – when we hear of a date we will share this with you.

Yours sincerely

Emma Bliss  
Deputy Head
