Dear Parent/Carer

### **Parent Survey – Maiden Erlegh Chiltern Edge**

As part of our ongoing commitment to providing the best possible educational experience for your child, we are pleased to announce the launch of our annual Parent Survey.

Your feedback is incredibly valuable to us. It helps us understand what we're doing well and where we can improve. By participating in this survey, you have the opportunity to shape the future of your child's school and ensure that we continue to meet the needs of our students.

The survey covers various aspects of your child's school, and your responses are anonymous and confidential. All responses are aggregated for the purposes of analysis, and any comments made cannot be attributed to any individual respondent. The results of the survey are used to inform our strategic planning and decision-making processes.

To access the online survey, please follow the link provided:

The survey should take approximately 15 minutes to complete, and we ask that you submit your responses by **Friday 22 March**.

We understand that your time is valuable, and we sincerely appreciate your participation. Together, we can work towards making your child's school an even better place for them to learn and develop.

Thank you for your ongoing support and partnership.

Yours faithfully
