Dear Parent/Guardian

## Annual School Survey

Every year at Maiden Erlegh Trust we ask parents and students to participate in our annual school survey. The feedback we receive is extremely important and makes a real difference as it feeds into our school improvement planning.

Once the survey has been completed and analysed, we will feed back to you via the website. You can see the Maiden Erlegh School example [HERE](#).

We are very lucky as we typically get a good number of responses, both from parents and students, and feedback is overwhelmingly positive and constructive. This is encouraging as it is always good to know what we are doing well, but we would very much appreciate your views on what we can do to make things even better.

Ms Green and I would very much appreciate it, therefore, if you could spare some time to fill in the parent survey and to encourage your child to complete the student survey. They are not long.

If you have any problems with the above link or would like a hard copy of the survey, please do not hesitate to contact reception.

I would like to thank you in advance for your family's support with these surveys. Please note that they will close on Tuesday 19 March 2019.

Yours sincerely

Miss M Davies
