Dear Parent/Guardian

Year 10 PPEs

Earlier this week year 10s had an assembly where I outlined the Pre-Public Exam (PPE) timetable and expectations. A copy of the key slides can be found [here](#) - they have also been added to Google Classroom for students to refer to.

This first round of PPEs are an opportunity for students to experience sitting exams in the Main Hall or Training Suite and to experience the demands of sitting multiple papers in a given day. Students who have previously agreed Access Arrangements will conduct the exams with these in place. The PPEs will run between **29 April – 3 May** and students will sit exams in each of their subjects (except in BTEC Sport, Youth Award and Art) as per the timetable below, which students received in the assembly. Exams will be run to the JCQ regulations which can also be found on the [website](#).

When not in exams students will return to their regular timetable or one of the dedicated workshops indicated on the schedule.

Students return to the remainder of Period 4, have lunch and Period 5 runs as timetabled.					

To support students prepare for their PPEs teachers will be issuing topic checklists and focusing homework tasks on guided revision from this week. In class there will be targeted activities that focus on developing exam techniques and opportunities for students to re-visit previously learnt material. Students were also issued a guide to support their revision a copy of which can be viewed [here](#).

Yours sincerely
