Dear Parent/Guardian

Understanding and Managing Anxiety

We are inviting all our parents of Neurodiverse students across our Wokingham and Reading secondary schools to an event to help support 'Understanding and Managing Anxiety'. This is being run by Reading Families Forum and it is being delivered by 'Parenting Special Children'.

As schools we are committed to trying to support both our students and their families in the best way possible and we have been offered this opportunity to have an external speaker come onto site and help increase our understanding and support around this.

This event will take place on **Wednesday 8 May at 6.00pm** in the Main Hall at Maiden Erlegh School, Silverdale Road, RG6 7H. Please come towards reception and it will be straight ahead. Please could we ask that you complete the following form to show your interest in this event. Those coming onto site will be limited to one parent per child due to capacity and it will be first come first serve if we get close to the capacity mark. We will contact you if this is the case.
