Dear Parent/Guardian

Behaviour reset and updated timetable for students

Today students in years 7-10 have partaken in a dedicated lesson to refresh and reset expectations around behaviours for learning and conduct around site. Mrs Bowers will be reinforcing this message in assemblies next week and slides will be shared with parents in due course.

To coincide with this, on Monday 13 May students will be issued with an updated timetable which will take them to the end of this academic year. With year 11 commencing Study Leave we are able to re-purpose staff to ensure that classes that have had extensive spells of cover are now delivered by specialist MECE staff – this is particularly impactful within Science and English where we have been able to eradicate almost all cover across years 7-10.

I am also pleased to share that Ms El Kouchni, our new Head of French will be joining us at May Half Term which will in turn mean all classes across years 7-9 will have a dedicated and specialist French teacher for the remainder of the year.

Students can already access their updated timetable on the Bromcom Student App and I would encourage them to look ahead to see what lessons they have on Monday so they are fully prepared. Students will be issued with a paper copy of their new timetable on Monday during an extended Tutor period in the morning.

If you have any concerns please do raise them through your son/daughter's Head of Year in the first instance.

Yours sincerely

Miss E Bliss
Deputy Headteacher
