Year 9 Football

Well done to the Year 9 footballers who won their first league game of the season against Maiden Erlegh Reading on Wednesday afternoon.

The boys started the game very strongly taking an early 2 goal lead through two well taken goals by Warren. Maiden Erlegh started to come back into towards the end of the first half but the team defended well and got to half time with their two goal lead still intact. The second half didn't start well with Maiden Erlegh continuing to put the pressure on and scoring very early into the half. Maiden Erlegh were now in the ascendancy and scored the next goal to make it 2-2. The team reacted well and began to play their way back into the game through some good link up play between Rayan, Warren and Dan. This led to MECE scoring next when a rebounded shot landed at the feet of Rayan who smashed it home to make it 3-2. The lead didn't last long with Maiden Erlegh replying quickly to bring the score back level. The game now became end to end with both teams pushing for the winning goal. Oliver had to be alert in the MECE goal pulling off a couple of good one on one saves to keep the scores level and this rallied MECE who managed to push on and score the winning goal with only a couple of minutes of the game left. The goal scorer was once again Warren, which completed his hat trick and got him the Player of the Match. Well done to all the boys involved in a great start to the season and it's away to local rivals Highdown on Wednesday.

Year 7 Sports Hall Athletics

A team of 14 Year 7 boys and girls headed to Icknield on Thursday afternoon to take part in the South Oxfordshire Sports Hall Athletics competition. The team competed in both track and field events and competed very well against 6 other schools from the South Oxfordshire area. Stand out performers were Gemma in the speed bounce and Jerry in the shot putt. Well done to all involved and we are looking forward to some more athletics in the summer term!

Primary School Cross-Country

On Saturday **2 March** we are hosting the final primary school cross country event of the year. Races starting from 9am and finishing around 12pm. If you are free and able to help out on the day it would be very much appreciated, please get in touch with Mr Hunter dhunter@maidenerleghchilternedge.co.uk
