20 September 2024

Dear Families

As the memory of the summer holidays recedes into the distance we have had a very positive week here at Maiden Erlegh Chiltern Edge. I have been out and about starting our recruitment process for September 2025, this week visiting pupils at Micklands and Sonning Common Primary Schools. On Wednesday I took Charlotte (year 7) and Hanga (year 8) back to The Heights for their Secondary Information Fayre - all the parents who we spoke to were really impressed with their confidence and how smart they looked in their MECE uniforms.

## Year 11

As part of our ambitious programme for year 11, Miss Bliss led a session on Wednesday morning to enable all students to articulate their goals for this year. The AV fell silent as they worked through the PIXL session and they set their wildly important goals (otherwise known as WIGS). They thought about their strengths and weaknesses and what actions they would need to take to overcome any barriers in their path. Teachers have been really impressed with the focus of year 11 this term and we are excited about what they will achieve next summer.

## Year 7

Not to be outdone, year 7 have settled in brilliantly - as well as maintaining their record for the highest attendance this term so far they have clocked up an astonishing number of house points. It was lovely to welcome parents yesterday to the parent information evening and my thanks go to Miss Bliss and Miss Biddiss for their organisation of the event.

## Extra-curricular

Now that term is underway our extra-curricular offer is also starting up, do encourage your child to take part in a club - it's a great way to make friends and to feel part of the community. New clubs this term include crochet club and Archery club!
