06 December 2024

Dear Families

The Christmas tree has gone up in the canteen today and it is certainly bringing some light to this wet wintery week! It's business as usual for two more full weeks and there's still lots of learning to be done and lots of MECE joy to be found. We've ended this week calmly and I enjoyed my fish and chips today walking around the site and speaking with students over the lunch break. The girls I chatted to were pleased that we have been able to reopen the key stage 4 toilets, and I hope that all students will respect the facilities so that they are available for all to use.

Year 11

Congratulations to year 11 on an excellent set of PPE (pre public exams) results which they have received this week. Students were assembled on Thursday afternoon for their results assembly and Miss Bliss was very impressed with the way that they have approached the whole process. We were delighted to welcome so many families to the parent consultation evening, the turnout was very high, and I know that teachers really valued the opportunity to feedback on progress face to face. The partnership between home and school is crucial in these final months and I hope that students will make the most of the support they have. Remember that this is just a pitstop on the way to the GCSE exams in the summer and every little bit of revision between now and then really makes a difference.

Raffle

I hope that you will be able to support the school by purchasing some raffle tickets for the CESA Christmas raffle. The draw will take place at the second showing of Bugsy on Thursday 19 December and winners will be contacted after that date. The funds raised by CESA support the school through purchases such as equipment, textbooks, reward trips and more and we really appreciate your support.

Do keep safe this weekend, it looks like it will be very stormy.

Best wishes

Mrs Bowers
