Dear Parents and Carers

Your Views Matter – Maiden Erlegh Chiltern Edge Parent Survey 2024/2025

We want to create the best possible learning environment and educational experience for your child. To do this, we need your help.

Our **Annual Parent Survey** is your opportunity to share your views on what is working well and where we can make improvements. The information you provide will help shape the decisions we make for your child's school and across Maiden Erlegh Trust.

The survey is **completely anonymous**. Your individual response will be combined with others to help us identify key themes and priorities. We then use the information gathered to plan improvements that reflect the needs of our community.

Please take **15 minutes** to complete the survey by **Monday 24 March** using this link:

Your views are important to us. By **completing the survey, you will help us to understand what matters most to you and your child**; every response contributes to making our schools the best they can be.

Thank you for your time.

Yours faithfully

Jonathon Peck
Chief Executive Officer
