23 May 2025

Dear parent/guardian

I am delighted to announce that MECE students will have the opportunity to travel to Kenya for a 10-day expedition in 2026. During our travels students will have the option to coach/teach children or a building and renovation project in a school.

We will also visit the Masai Mara for safari, visit a Masai village and visit other popular tourist attractions. I believe we have the potential to take an incredible group of students to have the experience of a lifetime. I have taken expeditions before to Kenya and seen the amazing lifelong impact it can have on a student's personal development.

At this stage we would like to gauge interest in the trip and provide you and your child with more details about what to expect. Our intention is to do as much fundraising as possible and support families finance this trip.

Please visit our website to register your interest: [www.africanadventures.co.uk/mechilternedge](http://www.africanadventures.co.uk/mechilternedge)

There will be a parents evening with information on Thursday 12th June 2025. Time TBC.

In the meantime, please do not hesitate to contact me for more information.

Kind regards

Mr Caldwell
