Dear Parent/Carer

May 2019

Hay fever/Summer allergies

Now that we are in the summer term and with the grass pollen season in full swing, we are writing to remind parents/carers that if your child suffers from hay fever or a related summer allergy, to prevent any unnecessary discomfort in school, could all parents please ensure that their child be given any relevant medication at home before the school day commences.

Any prescription medicine to be administered during the school day must be supplied to us in the original pharmacist's container and be accompanied by a 'Request to Administer Medication' form which can be downloaded from the school website.

We regularly use the school field at break/lunchtime and unfortunately, the children who suffer from hay fever can find being on the field aggravates the condition.

Thank you in anticipation of your help in this matter.

Yours sincerely

Mrs Worth
Pupil Services and Medical Care Plan Administrator
