Maiden Erlegh Trust secures £1m grant from the DfE to replace roofing at Maiden Erlegh Chiltern Edge.

The Trust is pleased to announce that it has been successful in securing around £1m in grant funding to replace the aged and deficient roof coverings at Maiden Erlegh Chiltern Edge.

The school will have its entire roof covering replaced, with the work due to start in the coming months.

Jonathon Peck, Chief Financial and Operations Officer said: *"I am delighted that we have been successful in this round of the Condition Improvement Fund. The fund was heavily oversubscribed so the fact that we have been fully funded for this project is incredibly pleasing. My thanks go to the Estates team and our partners, AMR Consult, for helping us to secure this funding. This positive outcome means we can conduct much needed improvement works at Maiden Erlegh Chiltern Edge and further outlines our commitment to ensuring this school is fit for the 21st Century."*
