11 July 2025

Dear Parents and Guardians,

We are excited to announce a special Rewards Event taking place on Wednesday 23rd July, the last day of term. This fun-filled session will include an inflatable obstacle course, a giant inflatable slide, and a variety of other enjoyable activities designed to celebrate our students' positive behaviour and hard work throughout the term.

Students will be invited to participate in this event if they meet the criteria of maintaining at least a 70% ratio of positive to negative behaviour points. This initiative began on 26th June to give all students ample time to qualify, and it has been communicated clearly to students during assemblies. Additionally, updates have been shared through tutor times to inform students around their behaviour.

We are pleased to share that currently 83% of our student body qualifies for the event, with 7 days remaining to the cut-off date and as a result, all students have the chance to qualify. Our aim is to encourage and support as many students as possible, striving for nearly 100% of our students to earn an invite.

Thank you for your continued support in helping us foster a positive and respectful school environment. We look forward to celebrating our students' achievements with this exciting event.

If you have any questions, please do not hesitate to contact us.

Yours sincerely,

Roddy Clark
Assistant Headteacher
