

3 September 2025

Dear parent/guardian,

Year 11 Math's revision sessions:

At MECE, we are committed to providing our students with every opportunity to succeed academically, Therefore, we are pleased to inform you about the after-school maths revision sessions that will be available to our students.

These sessions are designed to provide additional support to students to focus on key maths topics, clarify doubts and prepare them for upcoming exams. Students who attended our previous Maths drop-in sessions achieved excellent results in their GCSEs, and we are confident these sessions will continue to make a positive difference.

The after-school session will take place from 9th September every Tuesday from 3:15pm to 4:10pm and it will be held in M1 and M5. Please note that attending these sessions is optional but highly encouraged, especially for students who may benefit from extra help.

We believe that after-school revision sessions will greatly benefit our students by enhancing their understanding and confidence in their studies. If you have any questions or need further information, please do not hesitate to contact Saritha Gopal at s.gopal@maidenerleghtrust.org.

Thank you for your continued support and partnership in your child's education.

Sincerely,

Saritha Gopal
Head of Maths
