Dear Parent/Carer

School Lockers – Year 8, September 2025

We have a limited number of school lockers available to reserve for the 2024/25 academic year. As a parent of a younger student, we will be offering you the opportunity to reserve a locker before opening this offer up to parents of older students.

The cost for the year is £20.00, this fee is non-refundable. Lockers will be allocated on a first come, first served basis and will be offered to the rest of the school next week.

Lockers will be available to purchase from today and can only be reserved through ParentPay, click on the 'Active Payment items' tab. 'Locker Hire 2025-2026' will show as a payment item, click 'View', this will then take you to the payment page.

If your child is eligible for Pupil Premium we may be able to provide financial assistance to reserve a locker at a discounted price of £10.00. Please contact us directly, but please note that payment will need to be made by 15 September.

If you have reserved a locker your child will be allocated their locker during the week commencing 22 September, or sooner if they sell out.

The lockers are provided with clasp catches and students should provide their own padlock which should have a 5mm shackle. Reception will be able to keep a copy of the padlock combination or spare key if you wish.

Should you have any further questions please do not hesitate to contact the office at meceoffice@maidenerleghtrust.org

Yours sincerely

The Office Team
