19 January 2026

Dear Parent / Guardian

### Year 10 World of Work Week

I am pleased to be able to share with you some detail's regarding the World of Work Week and Work Experience Day's.

Students have been working on how to approach an employer, how to draft an email to an employer and how to respond when they are offered a placement during tutor time. A few students have already secured a placement and there is a real buzz amongst the year group. Please do encourage them to let their tutor know if they are struggling to find what they are looking for. Additionally, if you can provide a place for them or another student, please do let us know. Miss Dunn also has a database of places to look at from previous years.

As mentioned during the year 10 information evening at the beginning of the year, the World of Work Week runs directly after year 10 PPEs, **5-8 May 2026**.

We have a range of workshops linked to both Further & Higher Education and Careers & the workplace, as well as work experience.

This year we are running the work experience across two days, **6 and 7 May**.

The form entitled '[Work Experience or Work Shadow Visit Checklist](#)' needs to be completed once a placement has been secured, and submitted to [l.dunn@maidenerleghtrust.org](mailto:l.dunn@maidenerleghtrust.org) to ensure that placements are suitable.

If students are struggling to find placements, we will be able to offer some help. If they are unable to find a placement, students will participate in our Virtual Work Experience offer in school.

Aim High

Be Inclusive

Work Together

If you have any specific questions or if you are able to provide a placement for other students, please do get in touch via: [meceoffice@maidenerleghtrust.org](mailto:meceoffice@maidenerleghtrust.org)

Yours sincerely

Mr R Clark  
Assistant Headteacher
