

Dear Parents/Carers,

We've reached the end of what has been an incredibly busy and rewarding term, with so much to celebrate across both Year 9 and Year 10.

Our Celebration Assembly yesterday was a real highlight. It was fantastic to take the time to reflect on everything students have achieved this term — from academic progress to personal growth, extracurricular involvement and representing the school so positively. There is a great deal to be proud of.

Attendance This Week

- Year 10: 84%
- Year 9: 88%

Attendance remains a key priority. These figures are not where they need to be, and we must see improvement next term. Let's reset, refocus, and get attendance up — every day in school truly matters.

Next term is an important one:

- Year 10 will begin their PPEs and take part in work experience
- Year 9 will be finalising their options

These are significant milestones, and students will need to return ready to engage fully and make the most of these opportunities.

Over the break, I encourage all students to take the time to rest, recharge and reset. Year 10 — this is also a valuable opportunity to begin revising and preparing for your PPEs. Small, consistent revision now will make a big difference later.

I hope the next two weeks bring some well-deserved rest, time with family and friends, and the chance to enjoy a slower pace. Spring is a time for fresh starts — a perfect opportunity to come back feeling refreshed, motivated, and ready to go again.

A fresh start isn't a new place — it's a new mindset.

Thank you, as always, for your continued support this term.

Wishing you all a restful and enjoyable break.

Kind regards,

Miss K Jackson

Head of Year 9 & 10, English Teacher.

Mental Health Lead
