

07 September 2026

Dear Parent/Carer

School Lockers – Sept 2026

We have a limited number of school lockers available to reserve for the 2026/27 academic year. We would like to offer you the opportunity to have priority access to reserve a locker for your child to store their personal belongings.

The cost for the year is £20.00; this fee is non-refundable. Lockers will be allocated on a first come, first served basis.

Lockers can only be reserved through ParentPay.

In your ParentPay account, click on the 'Active Payment items' tab. 'Locker Hire 2026-2027' will show as a payment item, click 'View', this will then take you to the payment page.

If your child is eligible for Pupil Premium, we may be able to provide financial assistance to reserve a locker at a discounted price of £10.00. Please contact us directly, but please note that payment will need to be made by the deadline.

On 15 September we will be extending the opportunity to reserve a locker to parents of students in other years so we will no longer be able to guarantee your child a locker if you have not reserved one by this point.

If you have reserved a locker your child will be allocated their locker during the week commencing 21 September (unless they sell out sooner).

The lockers are provided with clasp catches and students should provide their own padlock which should have a 5mm shackle. Reception will be able to keep a copy of the padlock combination or spare key if you wish.

Should you have any further questions please do not hesitate to contact the office at meceoffice@maidenerleghtrust.org

Yours sincerely

The Office Team
