Dear Parent/Carer,

Re: Year 9 Information Evening

I would like to invite you to our virtual Year 9 Information Evening on **Thursday, 17th September at 5 pm. A meeting link will be sent to all parents early next week.**

The purpose of this evening is to provide you with valuable information and insights to support your child throughout the academic year.

During the evening, we will deliver a presentation covering:

- An overview of expectations and learning for Year 9
- Information regarding the options process and how to support your child with this
- Key dates and milestones for the academic year

We believe that a strong partnership between home and school is key to ensuring our students achieve their full potential, and we hope the information provided during this evening will ensure your student has the best chance at success.

I really look forward to seeing everyone there.

Thank you, as always, for your continued support.

Kind regards,

Mrs Sian Haycock
Head of Year 9 & 10
