Dear Parent/Carer

Small Piece Trust – Tuesday 29th September

As part of our Year of Opportunities programme, we are delighted to inform you that Year 8 students will be taking part in a workshop with Small Piece Trust on Tuesday 29th September

In this exciting session, students will be challenged to create an Airplane using a variety of methods and have the opportunity to test and redesign different elements to ensure the model can fly the furthest distance.

Throughout the workshop, students will develop key skills including:

Speaking – articulating ideas clearly and confidently

Problem Solving – navigating complex challenges

Creativity – thinking innovatively to design imaginative solutions

In addition to developing essential employability skills, the programme will introduce students to a range of exciting career pathways within the industry.

If you have any questions, please do not hesitate to contact us.

Thank you for your continued support.

Mr Ashley Mount
Head of Year 7 & 8
