Dear Parent/Guardian

School Diaries – Academic Year 2019/2020

For the school year 2019/20 we will not be providing students with traditional homework diaries.

As you will be aware homework is now set on ShowMyHomework. As a result of this the homework diaries have been used substantially less.

All students will still need a place for passwords, key school-dates, timetables as well as a place to provide communications between home and school for appointments, PE notes and detentions.

Therefore, every student will need to purchase a small diary/note book for the new school year. Please see below for some examples. Should a student not have their diary and be set a detention, we would give them a detention slip to bring home.

Should you be in receipt of Pupil Premium or are in financial hardship we will be able to help support in supplying a diary for you. If that is the case, please contact the school.

Yours Sincerely,
