07 October 2026

Dear Parent/Carer

Year 11 PPEs - November 2026

Year 11 PPEs this year will take place between 3rd and 11th November 2026. Students will receive a paper copy of the timetable during an assembly on Monday 12th October 2026 and you can also find a copy here - Examinations - Timetables. The exams will all take place during the normal school day, including students who have extra time, and lunch will be at usual time. Please note that students who have work experience or college as part of their weekly provision should still attend this during the PPE week and we will organise for them to sit missed exams at another time.

Exam Rules

The PPEs are run under the same regulations as the formal exams in the summer so students should be aware of the JCQ rules, which they will be told about in Monday's assembly. You can also find the JCQ Information for Candidates documents here. Failure to follow these rules in formal examinations could lead to disqualification.

The main points have been highlighted below:

- No phones, watches or other web-enabled devices are allowed in the exam room.
- Normal school uniform must be worn – no gloves, scarves, hats, hoodies or coats will be allowed.
- Bags should be left in the designated area outside the exam room.
- Equipment should be in a clear pencil case/clear food bag. Calculator covers should be left in bags.
- Water is allowed in clear bottles but any labels must be removed. No other food or drinks are allowed.
- Students must not communicate with another student from the moment they enter the exam room until they have left it at the end of the exam.
- Students must follow all the instructions given to them by the invigilators.

Access Arrangements

Students who have previously agreed access arrangements will be told where they will be sitting. It is vital that students use their access arrangements as the school must keep evidence that these are the student's normal way of working – failure to gain enough evidence could put their arrangements at risk. Students who are allowed extra time will

be asked to change the colour of their pen (or font) for their extra time. Invigilators will have green pens to hand out to relevant students at the appropriate time.

If you have any questions regarding the exams, please speak to your child's class teacher or tutor in the first instance.

Thank you for your ongoing support.

Mr Root
Deputy Headteacher
