Dear Parent/Guardian

Year 11 English Sets

I am aware that there may have been some communication around changes to our English sets in Year 11 yesterday. Firstly, my apologies for any confusion that this may have unwittingly caused and I am writing now to clarify the situation.

As I hope you would expect, the English Department have held numerous conversations around provision for our Year 11 students. Ensuring that we do all we can to support them and maximise their chances in the summer examinations, is paramount. This has included looking at the make up of the sets, although it was not our intention to make any changes at this stage.

Following the PPEs in November and as part of our ongoing Standards Review process, the progress of students in all Core subjects (including English) will be scrutinised. At that point, if we feel it will be better for students and alongside our wider programme of support for students, we may decide to make some changes to provision and setting arrangements. If this is the case, we will of course communicate this to you in advance.

Please be assured that, at this stage, there are no changes to the provision for Year 11 English classes.

Yours faithfully

Aneesa Hussain
Head of English
