Dear Parent/Guardian

### **Year 11 Gambling & Addiction Talk – Wednesday 9 October 2019**

EPIC Risk Management is passionate about investing in young people; their bespoke in-school awareness sessions use impactful, real life stories and interactive data capture to offer students advice surrounding safer gambling, encouraging pupils to foster informed ideas.

EPIC is now spearheading a ground-breaking project in partnership with the industry and a leading University in which they will deliver education around gambling to close to 25,000 young people under the age of 18 as well as producing a revolutionary research piece to highlight the importance and role of education in prevention and the scale of the issue in the modern generation.

The session will take place at 2pm in the Main School Hall and will run as a 60 minute talk to Year 11 pupils, including a short Q and A session at the end.

Should you have any questions or concerns about the session please contact Miss Cheeseman via [office@maidenerleghchilternedge.co.uk](mailto:office@maidenerleghchilternedge.co.uk)
