Dear Parent/Guardian

At Maiden Erlegh Chiltern Edge we are very proud that we are able to provide such a broad and exciting curriculum with purpose-built facilities. For Years 7, 8 and 9, each student has an hour of Dance, Music and Drama each week.

If your child has a medical reason for not being able to participate actively in one of these lessons, in particular Dance, please ensure they have a note explaining the reason. Should this be a persistent issue, we do ask for a doctor's note so we can support your child appropriately. In this case, the students will engage in their learning through written work which will complement the active lesson. Without a note, we require students to take part as it is a compulsory part of our curriculum.

During the year we host several Performing Arts Evenings during which we showcase not only the work produced from our extra-curricular program, but also performance work from the lessons. Details of these events are in the school calendar. The first event of the school year is our production, *Oliver!* in December. Please look out for details regarding tickets for this amazing event in our new forthcoming newsletter "MECE Matters".

Yours faithfully,

Mr T Harte
Head of Performing Arts
