25 October 2019

Dear Parent/Guardian

Year 10 Tracking Report

I am pleased to send home your son/daughter's Year 10 tracking report. I encourage you to discuss the contents of this report with them. This is the first of three reports you will receive this academic year detailing the progress your son/daughter is making. The remaining two are scheduled for:

Tracking report 2: Friday 14 February 2020

Tracking report 3: Friday 12 June 2020

Please note that for this first report of Year 10 we have only reported on English Literature and the Biology aspect of Science as this is what students have predominantly studied in Term 1. In future reports English Language, Chemistry and Physics will also be reported on.

It is not unusual for students to appear to be taking a backwards step between the end of Year 9 and the first stages of Year 10. This is due to more formal assessment against GCSE criteria rather than scale descriptors used during Key Stage Three. However, should you have any questions please don't hesitate to contact your son/daughter's tutor via the School Office email: office@maidenerleghchilternedge.co.uk in the first instance.

The reports themselves have continued to evolve from last academic year. These are the final aspects of our alignment to the Trust Assessment and Reporting systems. A guide to interpreting the report can be found [here](#).

I would like to also take this opportunity to remind you that all Year 10 students will be involved in a week of Work Experience (11-15 May 2020). You can view the Year 10 "Work Experience: Student Introduction" PowerPoint and a "Work Experience: Own Placement Form" which potential employers need to complete on our [Website](#). A reminder that students are encouraged to source their own placement and the deadline for organising this is 13 December 2019. Any questions regarding Work Experience should be directed to: Workexperience@maidenerleghchilternedge.co.uk

Yours faithfully

Ms C Biddiss
Head of year 10
