Dear Parent / Guardian

PE Kit – Parent Questionnaire

We are proposing changing the PE kit worn by our students, not only to support the new Maiden Erlegh Chiltern Edge identity but also to ensure that they continue to look smart and contemporary well into the future. The proposed new PE kit would look similar to that modelled by the students in the images below. The fabric is a modern material, which is hard-wearing, but it also very easy to launder and take care of.

Please could you complete the short questionnaire using the link below, in order that we can establish the feelings about this proposed change amongst our parent body. Please could we have your responses by **Wednesday 29th January 2020**.

Please note that the proposed changes would not be compulsory with immediate effect for students currently at the school, but would be the standard for students joining in the future, starting with Year 7 from September 2020. For existing students there would be a "phasing in period", so that parents who have recently purchased the old style of kit are not expected to buy the new kit in the near future. The only compulsory items within the new kit will be:

Girls	Boys
Polo Shirt	Polo Shirt
Shorts or Skort	Rugby Shirt
Long Socks	Shorts
	Long Socks

There will, however, be an option for boys and girls to purchase additional items such as tracksuit bottoms, microfleece etc.

We look forward to receiving your comments.

Yours sincerely

Mrs S Perry
Operations & Business Manager
