Dear Parent/Guardian

RE: The Henley College Digital Enterprise Day – 2 July 2020

I am writing to inform you that your child has been chosen to take part in The Henley College Digital Enterprise Roadshow.

This is an exciting opportunity for your child to explore their entrepreneurial skills through a bespoke enterprise challenge provided by The Henley College in partnership with Unloc, a leading social enterprise in the education sector, and sponsored by Ronan Dunne, Executive Vice President & President of Verizon Wireless.

The Roadshow will see students accessing a digital portal at <https://unloc.online/henleyroadshow> on **Thursday 2 July** whereby they will work in teams or individually, to complete an enterprise challenge using the information and resources made available to them. There will be a prize of digital shopping vouchers for the winning team!

Please can your child be helped wherever possible to access the digital portal.

I hope this opportunity can be embraced and thank you for supporting your child through this time of digital home learning. If you have any questions, please do not hesitate to get in touch.

Kind regards

Ms C Biddiss
Head of Year
