

9 October 2020

Dear Parents, Family and Caregivers

As you will have seen in the Headteachers letter, the new CESA committee have been appointed. Introducing...

Your new CESA Chair, Suzanne Lovegrove, with 17 years' experience of fund raising for schools, a huge passion for supporting MECE and a plethora of exciting ideas, the future looks bright with Suzanne at the helm!

Your new CESA Secretary, Debbie Venables, who has recently joined the MECE family after moving to the UK from South Africa. Her passion for seeing people grow and achieve their purpose is her driver to want to support the MECE scholars and help them have the best possible facilities and experiences at school.

Your new CESA Treasurer, Eleanor Flood, a keen supporter of CESA since September 2016 when her son joined the school. Eleanor has attended committee meetings, organised raffle prizes and helped at the cross-country café and is already a huge asset to the team.

We have some really exciting projects planned, even with taking social distancing in mind. We will be sending out more communications about those very soon, so watch this space.

In preparation for some of these events we would like to call out to all the awesome parents, carers and family from MECE....

- Are you a professional cake maker? Would you be willing to donate a scrumptious cake to CESA to help raise some funds for our children's school?
- Do you have any items that you could donate to CESA for raffles and silent auctions? Unused toiletry gift sets, a bottle of something nice, vouchers etc?
- Are you able to help out with specialist skills like marketing, accounting, writing, photography? Would you be willing to invest some time on an adhoc bases?

If you are able to assist with any of these please contact Suzanne/Debbie/Eleanor to make the necessary arrangements. We can be contacted on cesasect@yahoo.co.uk

We look forward to working with you.

Yours faithfully

The CESA Team
